

Dear Parent / Carer,

I am writing to you to confirm our current position as a school during this current lockdown. ACE schools is currently open to vulnerable pupils and pupils of critical workers. We have spoken to all our parents and carers and confirmed education arrangements for their current provision. If individual situations for you and your child change meaning that you may need to work with us about adapting your child's program, please get in touch with us and we will support where possible.

If you or your child have any questions/issues around the remote learning offer please contact the staff at your child's base as they will be able to help.

The DFE have recently announced that they are looking to support pupils and families who are accessing remote learning through mobile data. If you have concerns about having enough data to be able to access online learning please contact us on the email below and we will look at how we can support.

Asp_covid@transformingfutures.org.uk

We will continue to update families through these letters but for regular updates between letters please do check in with our website and social media pages below.

Twitter: @aceschools1

Facebook: ACE Schools

During lockdown if you child is ill and cannot attend their remote learning or base sessions as planned please can you inform your child's base so they are aware.

If you have any questions about any of the information above please contact your child's base who will be able to help.

Regards

A handwritten signature in black ink, appearing to read 'Matt Bindon'.
